An ideal offering for busy professionals on the go who value their time and mobility.

Benefit from being able to make and receive phone calls anywhere with a broadband internet connection, as if you were at your desk. Business calls from a hotel or a WiFi cafe are easy with Road Warrior packages for mobile business users.

Your Road Warrior package will include:

- **IP Enterprise Voice Package**
OneConnect's premier offering, with traditional telephone features and a suite of enhanced VoIP features.
- **Virtual Fax**
Providing a toll-free fax number to send and receive faxes and with the option to forward faxes to up to 3 e-mail addresses of your choice. Delete, forward or save faxes indefinitely as you choose and only print the faxes you want!
- **Unlimited North American Long Distance**
- **Portable Media** with Road Warrior applications and tools embedded.
- **Travel Headset** (included)

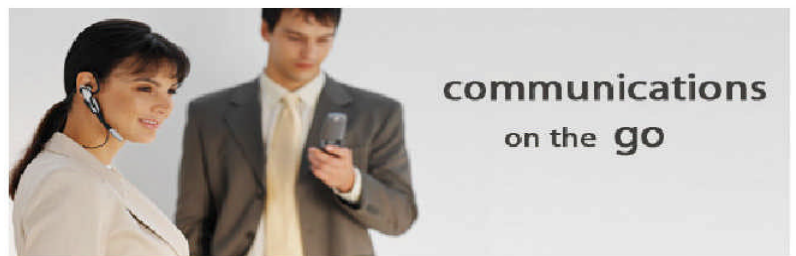

Enhanced VoIP Features include:

- Find Me/Follow Me & Personal Call
- Routing
- Unified Messaging
- Online Directories & Microsoft Outlook Integration
- Online Call Logs
- Virtual Fax Service
- Multimedia Softclient/Webclient & Personal Agent
- Personal One Number
- Company Presence
- Secure Instant Messaging

"The feature I use the most is the Find-Me/Follow-Me with my BlackBerry, customers can reach me at any time to get an immediate quote. When customers call other companies and get a machine, they leave a message. When they call us and we answer right away, we get their business."

John Prittie, President, Two Men and a Truck

Services are Designed to fit a Variety of Needs

- Users enjoy increased functionality over traditional phones and employers can increase the ROI on their computer purchases, as well as their data network.
- Companies with geographically dispersed offices benefit from free branch-to-branch calling, while each unit enjoys a local connection to their customers by keeping their existing local number.

Value-Added Business Solutions:

- Hosted IP Voice Packages
- Hosted Call Centers
- IT Services
- IP Trunking
